

# 2nd UCL / LEIPZIG

## GRADUATE WORKSHOP IN PHILOSOPHY

### CALL FOR PAPERS

On November 22-24th, 2018, the second London / Leipzig Graduate Workshop will take place in London. All of the speakers will be graduate students from the University of Leipzig and the University College London, four of each department. We encourage advanced students to submit an abstract of the paper you would want to discuss.

If your abstract is accepted, you will have the opportunity to present the paper during the conference, and discuss it with speakers and audience. The papers will be pre-circulated so as to allow for maximally in-depth discussion.

Please submit your abstract (1/2 page), in English, to Jonas Held ([jonas.held@uni-leipzig.de](mailto:jonas.held@uni-leipzig.de)) by or before May 1st, 2018. Submissions will be evaluated by an independent committee of faculty members in Leipzig.
